

## School Closure Learning Plan

In the event of school closing, it is expected that learning will continue for all children. To enable this to happen, you will need to access the school website every day. If you are unable to access the school website, please contact the school immediately.

In the event of school closure:

### We will

Provide regular learning through the school website, to be completed in workbooks

Communicate by phone with children at least once a week

Be available via email at [info@cravenwoodprimary.org.uk](mailto:info@cravenwoodprimary.org.uk)

Provide support if you have any safeguarding or child protection concerns. (see the school website)

### You Will

Notify us if you have difficulty accessing learning

- Ensure that your child:
- Engages in learning every day
  - Reads for at least 15 minutes every day
  - Takes at least 20 minutes exercise every day

Encourage your child to speak to the teacher when they phone

Monitor your child's computer usage for online safety
