| Purchase Tennis equipment for P.E. sessions. | By July 2016 | BT | The rackets are of the correct size and weight for the children (especially KS2) to use effectively. This would lead to improved skills and technique from the children during P.E. sessions. It would also allow the current rackets to be used during lunchtimes, which would allow the children to practise the skills they will have learnt during structured P.E. sessions. | BT | End of year. |
| Employ a specialist Rugby coach for delivering sessions to KS2 children. | May 2016 | BT | The children will be able to see an expert Rugby coach in action. This would lead to an increased interest in the sport, along with increased skill. The children would be able to apply their existing ball skills to a structured game. The school could then enter inter-school Rugby tournaments. | BT | Spring 2 onwards. |
